Commander

By Tom Dorn

I would like to thank everyone for the help during my transition as commander especially the past commanders, I need all the help I can get, and we also need a new 2nd Vice to take the load off Charlie Gray. July is right around the corner and he will have his hands full with the start of new membership dues for 2022. The new website for National is almost up, but they are experiencing glitches right now.

Thank you,
Commander Thomas Dorn Sr.

1st & 2nd Vice Commander

By Charles Gray

I hope everyone is doing fine, a lot of things have been going on at the Post. We had elections and I became 1st Vice Commander plus still helping out as 2nd Vice. Anyone who would like to be 2nd Vice please see Tom Dorn or myself. It isn't a hard job and you have lots of officers supporting you. On July 13th I will be installed as Lucas County Sargent at Arms.

We're still serving breakfast every Sunday from 9 a.m. until noon. Six dollars gets you a great breakfast. Tom (the cook) has expanded the menu. No longer called a pancake breakfast. Bologna Monday 11 a.m. until 1 p.m. unless otherwise notified. Please remember to take a chance while you are there for the Bologna. Ask about the chance at the bar if you don't know what it is all about. Cost for bologna is still only 5 bucks. The fish fry is doing well, but it is time to get out and support the Post. NO MASKS are required. Come and socialize with family, friends and strangers.

Speaking of the fish fry, we need more help since its summer time. Several regular workers have vacation planned and family functions to attend. Please consider working 1 or 2 Friday nights. The time you would need to be at the POST is 10 minutes to 5 and stay til 7 pm. That's it. The work is not hard. Most of the time is just serving

where we need the HELP. Please THINK ABOUT IT!!!

I'm the new membership chairperson. If you haven't paid your 2021 dues yet. Stop in and pay at the POST. I know people have forgotten because of the VIRUS. So let's get those dues paid if possible. The 2022 dues will be coming up in December. Remember we always have the EARLY BIRD SPECIAL DINNER if you pay by the end of October. for the EARLY BIRD. I would like to meet you and get to know you better.

If you need a ride, try calling a fellow member to bring you to the meetings. They are still 2nd and 4th Mondays of each month at 8:00 pm.

We had a great Memorial service on Memorial Day. After the service there was Hamburger with extra for all who attended. The speakers were great. The Legion did their parts and the Auxiliary did theirs. By the way, Auxiliary looked great in their RED, WHITE and BLUE. We had TAPS played and a 21-gun salute. All done by your fellow members of the AMERICAN LEGION.

Charles Gray
1st Vice Commander

Phone number to contact me is 734-856-2647 if you have questions. Leave a message with a return phone number (speak slowly) if I don't answer. Will get back to you.

Auxiliary President

By Kristen Lyell

As a new year begins for me as Auxiliary President, I would first like to say Congratulations to Sandy Mack for her tenure as our Auxiliary President along with her Officers and Chairmen. I would also like to Thank Debbie Rarick for her efforts in making our Installation Banquet on May 26th a great success with 25 in attendance. A big Thank you goes out to the Sons and Legionnaires that attended. A reminder to all Auxiliary members that we are off for the summer and will not be holding meetings in July or August. We will resume our normal meetings on the second Monday in September, 13th of September, and the second

Monday of each month thereafter at 8:00 p.m.. I am in need of some volunteers to chair and/or co-chair some of the opportunities within our unit. If you are interested in participating please let me know if you would like to head or assist with Children & Youth, Community Service, Endowment Fund, Legislature & National Security or VA & R (Veterans Affairs & Rehabilitation). Enjoy your summer and look forward to resuming our meetings in September.

At our April meeting we held our elections and I would like to congratulate our new officers:

Kristen Lyell, President
 Ann Guyton, 1st Vice
 Ann Fritz, 2nd Vice
 Liz Gray, Treasurer/Secretary
 Sandy Mack, Historian
 Carolyn Eyre, Chaplain
 Debbie Rarick, Sgt at Arms
 Betty Soldner, Executive Board
 Cindy Soldner, Executive Board
 JoAnn VanBuren, Executive Board

Congratulations Ladies! And a huge Thank You to Sandy Mack and her Officers and Chairpersons for their 2 years in office! If you see any of these ladies around the Post, please take a moment to thank them either for their past service or for stepping up and volunteering to keep our Auxiliary going! More to come on the installation of these new officers at our next meeting in May.

Respectfully Submitted,
 Kristen Lyell, Secretary

Auxiliary 1st Vice

By Ann Guyton

Looking forward to serving the auxiliary in this important position. Thank you to Linda Burke and Betty Soldner for their dedication to membership last year. There is still time to get your dues paid up for 2021! Membership for 2022 starts in August.

Thank you,
 Ann Guyton
 Aux. 1st Vice

Auxiliary Secretary/Treasurer

By Elizabeth Gray

So far 2021 is turning into a great year! We are all starting to see some familiar faces at the POST and some we haven't seen in a while. Welcome BACK! We are trying to kiss this VIRUS good-bye forever. At least let's hope we can.

I got to attend my 1st anniversary party for the Post in May. We had really great food and decorations. Thanks to all who did the behind doors work before we opened. When you walked in you thought you were at a high-class restaurant not the upstairs of the Post. There was a buffet table for appetizer provided by Auxiliary members. A photo picture area where you could do picture for remembrance. Plenty of room to sit and enjoy talking (something new NO FACE MASKS) were required. YEAH!! Some faces I didn't recognize, but later in the program was surprised at how many were being honored for their years of membership. We had some past commanders and presidents present. Almost all the current serving officers were there. I think we had more members present than we are years old. After the dinner and program with distinguished speakers there was dancing by DJ Dave. Great job. Another post member showing us his talents.

The Auxiliary had a great installation dinner and wonderful food to eat at the WOK on W Laskey Rd in Toledo. The rain didn't stop anyone from coming. It was one of the largest we have had in years. Don't know if it was the food or guest or just Auxiliary looking forward to a GREAT year 2021. We are still looking for chairpeople and you are welcome to work on any committee you would like to.

Remember Auxiliary members we don't meet again until SEPTEMBER 13, 2021, then it's the 2nd Monday of each month at 8:00 pm. Need a ride, you might see someone there you could ride with each month. So mark your calendars NOW, that way, you can't say we didn't invite you. The more members that are there the more we can help the VETERANS.

Remember we are all volunteers at the POST. It is time we get out and see people and do things again.

Elizabeth Gray
 Secretary/Treasurer of Auxiliary

PS: As you can see, I have 2 titles this year. But if you would like to take over 1 of them, just come to the meeting and choose which 1 one you want. No pressure. Just watch what we are doing and talk to me or Kristen Lyell. Thanks

Sons of the American Legion

By Bruce Lyell

Greetings from the Sons of the American Legion! Hope everyone is doing well. It has been quite a year! Just a reminder that our meetings are the first Tuesday of each month at 7:30 p.m. If you are able, we would love to see you for the camaraderie of our squadron. The S.A.L has some functions coming up and if you have any interest in participating, please let me know.

For God and Country,
Commander Bruce Lyell

Update on the repair of the downstairs pool/game room. It was voted on to open the wall between the pool room and game room with a half wall to accommodate stools and adding a wall to close off the office area. If anyone has building skills contact the commander at 419 350-4736 and give him your information.

Also looking for help to clean up the yard. If you stop by and see work needs to be done just do it as goes the Nike jingle. All volunteer help is cost affective. All money saved gives us more to do what the American Legion does best, help the veterans and community.

The fish dinners have slowed with the summer months coming into full swing and the profit is a little less. If you are looking for a good meal on Friday, try your post and bring a friend or two. Word of mouth is our best advertisement.

The Sunday breakfast is still going strong as well as the bologna luncheon on Monday. Please pass the word on both and Tom and Ed will cook you a great

meal. The Sunday breakfast is only \$6.00, and the bologna luncheon is only \$5.00. Both are great values, and the profits go a long way in helping the post.

The rentals have picked up since the restrictions have been relaxed on Covid. If you know anyone looking to rent a place for their special occasion, give them the rental number 419 266-1357. The post rental agent will help you customize a package suited to your needs.

Let us hope that this year will be much better now that the vaccinations are in full swing. Do not forget to get yours.

We have made our selection for scholarships this year and the winners are Jacob Snodgrass (Harry Snodgrass’s grandson), Regan Vanderpol, Jack Haskin (both mom and dad are members as well as Jack being a member of the sons) and Olivia Lapoint. The scholarships are for \$1000 per student, and we will try to have them at the July business meeting for presentation of checks.

Regards,
Russ Bohland

National has changed their website and has had some problems with the rollout. If you click on this link americanlegion587.us, it will take you to our website page that has a link to American Legion National. Then you will be able to make sure your membership number or years as a member is correct. National is working on these problems, but you can correct some errors on your "Profile" page.
